## Help Our Mizpah Evacuees

Our neighbors need our help getting back on their feet after the devastating fire at the Mizpah Hotel. We need to secure affordable housing for over 62 households immediately. Help us raise the money that will get them started rebuilding their lives.

**WHAT:** Drive-up fundraiser for displaced Mizpah residents

**WHERE:** Grand Sierra Resort, South entrance motor coach porte-cochère

**WHEN:** Wednesday, November 8, 6am-6pm

Join community leaders at Grand Sierra Resort on Wednesday.

Funds for Mizpah residents distributed by the American Red Cross and Restart.

In one day we can make a difference for over 62 households. We can get them **HOME**.

*Together, we can save a life*
